Video visits

Getting the answers and care you need doesn’t have to mean rescheduling your day.

Next time you need your doctor, ask if a video visit is right for your symptoms or condition.

Registration and Class Fees

Our classes are open to Kaiser Permanente members, and many are also open to the community. A session is defined as the number of classes a participant should attend to get the most value from the educational experience. The number of sessions does not imply a limit to the number of classes a Kaiser Permanente member may attend. For more information or class schedules, go to kp.org/classes or call the phone number listed underneath the class description.

All classes require pre-registration and pre-payment (if applicable).*

In order to receive a refund for a class, you must cancel at least 24 hours before the start of the first class session by calling the Health Education Department at 1-866-248-0721. Class dates and times are subject to change or cancellation, and those registered will be notified of any schedule changes.

*Class fees are subject to change and vary depending on the class and your health plan benefits. Please refer to your current Evidence of Coverage to confirm the services under your plan.

Health Education Centers

Let our Health Education Centers be the first stop on your path to good health. Come in to research health topics and learn self-care techniques or shop at our Health Stores. Browse our health media collection, purchase books and other health-related products, or borrow from our DVD library. You can also speak with a staff member, sign up for a class, check to see if you are up-to-date on your preventive screenings, browse the kp.org website, and much more.

Look for Health Education Center and online resources noted throughout the class listings in this catalog for more ideas.

My KP Meds
My KP Meds is a medication reminder app that helps you learn and track a new or complex medication dosing schedule. View your own list of medications from your Kaiser Permanente medical record, set reminders, take helpful photos of your pills and share your medication list with others. Available on Google Play and from the App Store.

App Store is a service mark of Apple, Inc.
Google Play is a trademark of Google, Inc.

Life Care Planning (Advance Directive)
Life care planning begins with choosing someone to speak on your behalf if you were ever unable to communicate for yourself. This class can assist you with selecting your health care agent and exploring your values and goals for care. You will also have an opportunity to complete an Advance Health Care Directive. If you have already selected a health care agent, bring him or her with you to the class. To get started now, visit kp.org/lifecareplan. Members only.

Location: Antioch, Livermore, Park Shadelands, Pleasanton, San Ramon and Walnut Creek

Sessions: One
Registration: Call 1-866-248-0721.

Portable Electronic Medical Record
Download a summary of your medical record to your computer, tablet, or smartphone. Or contact a Kaiser Permanente Release of Information office to get a copy of your summary on a flash drive for $5. Each time you download your summary, it will reflect your most recent summary medical record. To learn more, visit kp.org/mydoctor/pemr.

Hospice Program—Bereavement Education and Support Services
When you are struggling to cope with the loss of a loved one, you can get support, information, and referral services through our hospice program. Bereavement groups and educational sessions are available at various Kaiser Permanente facilities throughout the year. Open to the community.

Information: Call 925-229-7817.
Additional Kaiser Permanente Services:
- Hospice Program: Call 925-229-7800.
- Clinical social workers are available by referral to discuss aging issues such as dementia, in-home care, and counseling, and to provide information on a variety of community resources.
