

# HIV Patient Advocacy Committee

for Kaiser Permanente members in the East Bay

The Patient Advocacy Committee invites you to join us:

- Keep yourself informed and aware of issues affecting HIV care
- Influence HIV and related services at Kaiser Permanente, East Bay
- Participate in HIV education efforts that benefit Kaiser Permanente members and the community.

**The mission of the HIV Patient Advocacy Committee (PAC) is to promote the highest quality of HIV service**

## Who we are:

- We are Kaiser Permanente members living with HIV

## What we do:

- act as a liaison to community groups
- produce HIV educational forums on relevant, current topics
- establish partnerships with other community boards
- act as compassionate advocates for HIV+ members
- help our fellow members access Kaiser Permanente services
- identify member concerns and recommend solutions
- utilize a constructive approach to resolving issues
- review policies and plans affecting HIV care
- consult with Kaiser Permanente physicians and staff

To join the HIV PAC, make suggestions, or ask questions, please contact us at: [KaiserPAC@hotmail.com](mailto:KaiserPAC@hotmail.com).

“The key to the success of this committee is that health plan members speak on behalf of members’ needs.”
