

# Richmond Medical Center VISITOR GUIDELINES

## PROOF OF FULL VACCINATION OR NEGATIVE COVID-19 TEST (within 72 hours) REQUIRED FOR ALL VISITORS AND VENDORS

(Not applicable for visits at Medical Offices, including Laboratory, Pharmacy and Radiology)

### HOSPITAL & EMERGENCY DEPARTMENT

- **1 VISITOR PER PATIENT**, except for groups below
- **VISITING HOURS:** 8 a.m. to 8 p.m.

### EXCEPTIONS up to 2 visitors may be allowed for

- **PEDIATRIC PATIENTS**
- **PATIENTS WITH HOSPICE OR END OF LIFE**
- **PATIENTS WITH DISABILITIES** (physical, intellectual, cognitive impairments and/or developmental disabilities)

### MEDICAL OFFICE BUILDINGS AND CLINICS 1 support person in the exam room\* for:

- Pediatric patients (2 adults if multiple children have appointments or with newborn patients less than 1 month old)
- Patients with disabilities, language or emotional support needs
- Patients having an OB ultrasound

\* Visitors not with the patient in the exam room must wait outside the building

### VISITOR GUIDELINES and safety precautions

- Symptom screening of all visitors going to patient rooms
- Keep mask on, social distance, and sanitize hands
- No eating or drinking in patient rooms
- Visitors under 18 must be accompanied by an adult
- Consider a virtual visit if possible
