Community and wellness programs²

We offer many health education classes and programs, including:

- Smoking cessation
- Disease prevention and management
- Diabetes
- Asthma
- Weight management

As part of our community health commitment to Fresno, Madera, Kings, and Tulare counties, Kaiser Permanente provided more than \$4.2 million in grants in 2022 – focusing on access to care, mental health and wellness, economic security, climate and environment, healthy eating, and active living.

Farmers market

- Get fresh, local produce every Wednesday at our year-round Certified Farmers' Market. We're open 8 a.m. to 1:30 p.m. March through November, and 9 a.m. to 1:30 p.m. December through February.

Health communication options³

- Video visits from your computer, smartphone, or tablet⁴
- Email your doctor's office with nonurgent questions
- 24/7 advice by phone
- Opportunity for same-day phone appointments with a doctor⁴
- At **kp.org**, you can check most lab results, get prescription home delivery, schedule routine appointments, find facilities, act for a family member,⁵ and more

Culturally responsive care

- Members have access to more than 150 languages using interpreter services
- Bilingual physicians and staff in many departments
- Kaiser Permanente respects the health beliefs, values, and needs of California's culturally diverse population

1. Some classes may require a fee. 2. By referral only. 3. These features are available when you get care at Kaiser Permanente facilities. 4. When appropriate and available. 5. Due to privacy laws, certain features may not be available if they're being accessed on behalf of a child younger than 18. Your child's physician may also be prevented from giving you certain information without your child's consent.
