

TAKING YOU WELL INTO THE FUTURE

NEW San Leandro Medical Center

HIGHLIGHTS:

- Labor and Delivery Unit
- Neonatal Intensive Care Nursery
- All private rooms

We are excited to provide you and your family with high-quality care in our new, comfortable environment.

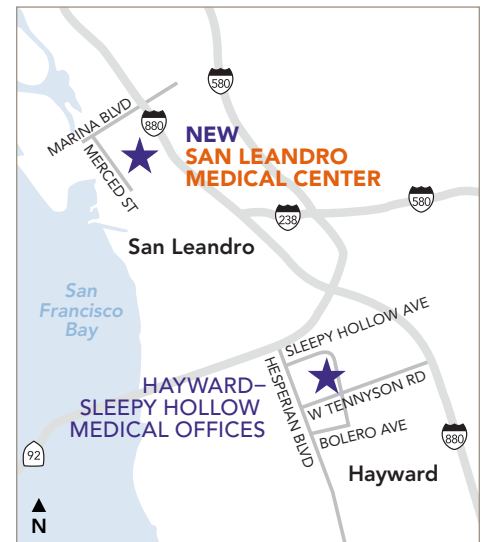

Welcome to our new San Leandro Labor and Delivery Unit and 20-bed Neonatal Intensive Care Nursery.

Your dedicated care team will include obstetricians, nurse-midwives, anesthesiologists, certified registered nurses specially trained in anesthesia, registered nurses, and pediatricians.

Together, we will partner with you to create a personalized birth plan that supports your needs and preferences in every way possible.

Features of your personalized care:

- Our nurturing team of midwives is available 24 hours a day to support low-risk moms-to-be. We'll be by your side through the entire labor, delivery, and postpartum care experience.
- Providing care and expertise for babies born prematurely or with serious medical conditions, our Neonatal Intensive Care Nursery is staffed with board-certified specialists and equipped with advanced medical technology.
- Doctors trained in high-risk pregnancies provide care for expectant moms with special medical concerns, as well as mothers with pregnancy-related complications.
- We offer on-site pregnancy and parenting classes to help you prepare for childbirth, breast-feeding, and beyond. Some classes may require a fee.
- In recognition of our excellent breastfeeding support, we're designated as a "Baby-Friendly Hospital" by the World Health Organization.
