KAISER PERMANENTE • SAN FRANCISCO • HEALTH EDUCATION

## Understanding Loss

This 4-week series intends to educate participants on grief reactions and learn coping skills for processing their losses. Participants learn to engage in valued living, which in turn, increases quality of life. This class allows the participants to:

- Process their grief
- Gain tools to continue to resolve grief on their own
- Have a safe space to share their feelings
- Accept changes caused by grief
- Find a way to honor the loved one's memory.

*This class is led by Integrated Behavioral Health Psychologist, Jenna Moschetto, PhD*
