

# New Patient Chemotherapy Orientation

The Purpose of this Orientation is to:

- ❖ **Lessen (or even eliminate!) the apprehension everyone naturally feels about starting Chemotherapy**
- ❖ **Acquaint you with the resources available in the Oncology Department**
- ❖ **Prepare you for the side effects that you may experience, and give you suggestions for managing them**

**WHO:** Newly Diagnosed Patients and their Family Members

**WHAT:** An introduction to Cancer Treatment and what to expect

**WHEN:** Every Thursday from 2:00 pm – 3:00 pm  
Registration is required at the Oncology Reception Desk on the 1<sup>st</sup> floor of building 2 North

**WHERE:** Oncology/Hematology Department  
1<sup>st</sup> floor of building 2 North  
270 International Circle  
San Jose, CA 95119

**This orientation will consist of a brief presentation, a tour of the Oncology/Hematology Department and Infusion Center, and time to answer questions.**

To schedule your orientation, or for any questions or concerns, please call Tracy at (408) 972-3537.

You may leave your Name, Medical Record Number, and Phone Number on the voicemail if you would like to attend.

*Please call at least 72 hours in advance.*
