

Flu Shots Available at Select Retail Stores and Pharmacies for Kaiser Permanente Members

From October 1 to December 31, 2020, Kaiser Permanente members can get a flu shot at no cost from the following

- **Costco**
- **CVS**
- **Rite Aid**
- **Safeway**
- **Walgreens**
- **Walmart**

All you need is your photo ID and membership ID card. If you forget your membership ID card, you can use your digital card on the Kaiser Permanente app.

If you get a flu shot at one of these locations, your medical record will be updated. You won't have to pay or file a claim for reimbursement for a flu shot given at these select locations.

The earlier you get your flu shot, the sooner you are protected.
