ONLINE CLASSES

Postpartum Care (Attend between 28-32 weeks)

One 2-hour session. Class helps you understand the physical and emotional changes during post-partum and how preparing to bring baby home is critical on family dynamics. Learn strategies for caring for yourself and how others can support you.

Health Education
408-851-3800

Breastfeeding Basics (Attend between 32-36 weeks)

One 2-hour session. Learn about the benefits of breastfeeding for your baby and you, recognize effective breastfeeding, baby behavior, and ways to prevent and overcome challenges.

Newborn Care (Attend between 32-36 weeks)

One 2-hour session. Gain skills to help you care for your new baby. Topics include newborn characteristics and behavior, bathing, diapering, soothing, safe sleeping, and when to call your physician.

Childbirth Preparation (Attend between 30-37 weeks)

One 2-hour session. Learn what to expect during each stage of labor and delivery and when to go to the hospital. Understand medical options available and practice how to manage labor through breathing, relaxation, and movement.

Baby & Me Support Group

Weekly 1.5-hour session. Join other parents and babies ages 0-6 months for support and advice. Facilitated by a Health Educator.
