

Your life matters,
and the flu shot is
the safest way to
stay healthy this
season.

Give your immune system a healthy boost

There's a lot of uncertainty in the world right now, but there are some simple actions you can take to stay healthy and stress-free.

One of them is boosting your immune system this season with the same, safe protection that our health care workers trust – the flu shot.

Kaiser Permanente members, we invite you to join us at one of our no-cost flu shot drive-thru clinics, listed below. All Kaiser Permanente members are welcome, so bring your family and friends with you!
