

Hospital/Inpatient VISITOR POLICY

All patients will be allowed up to 2 visitors at the same time.

- If physical distancing cannot be accomplished, then 1 visitor is allowed at a time.

All visitors must adhere to the following:

- Visitors must be free of COVID-19 symptoms
- All visitors must verify that they are fully vaccinated using one of the following:
 - COVID-19 Vaccination Record Card, or photo of card printed or on a digital device OR
 - Documentation of COVID-19 vaccination from a health care provider OR
 - Digital record with a SMART Health Card QR Code
- If an individual cannot show proof of full vaccination, they may be allowed to visit IF they can show proof of a negative COVID-19 test, as follows:
 - Negative PCR test within 2 days prior to visitation
 - Negative antigen test within 1 day prior to visitation
 - Documentation of recovery from a health care provider
- Exemptions include visitors who are visiting patients in emergency situations.
- Exemptions to testing and vaccination include:
 - Pediatric patients
 - Labor and Delivery patients
 - Patients at End-of-Life
 - Patients with physical, intellectual, and/or developmental disabilities (including cognitive impairments)

Wear a well-fitting mask over your nose and mouth.

Wear any other Personal Protective Equipment as per hospital policy.

Maintain 6 feet physical distancing from health care workers and other patients/residents/visitors that are not part of your group while present in the hospital.

Exceptions to our visiting policy, including further limiting visitation, may be made at the discretion of your caregiver, based upon your condition and need for visitation.

Medical Office/Clinic VISITOR POLICY

Medical Office/Clinic

- 1-2 person(s) may accompany any patient into the exam room depending on the ability to maintain 6 feet social distancing.

General Visitor Guidelines:

- Symptom screening of all visitors.
- No visitor with COVID-19 symptoms may enter.

- Visitors must wear a well-fitting mask over your nose and mouth while on the premises.

- Maintain 6 feet physical distancing from health care workers and other patients/residents/visitors that are not part of their group while present in the hospital.

Exceptions to our visiting policy, including further limiting visitation, may be made at the discretion of your caregiver, based upon your condition and need for visitation.
