

Beginning the week of November 21, 2022, parts of Lot 3, 4 and 15 near the Garden Medical Offices will be closed as construction crews work to improve member experience and safety around the Orchard Parking Structure.

Please take note of these changes before your visit to the Garden or Orchard Medical Offices through February 2023:

- Accessible parking will be available in Lot 4
- Garden Medical Offices patient drop-off area will be relocated to the partial circle drive near the south entrance of the building
- The south entrance and exit of the Orchard Parking Structure will be closed. To access the structure, enter from Bellflower Blvd.
