

National Health Care Decisions Day

April 16 – 18, 2019

If something suddenly happened that left you unable to express preferences or make decisions about your medical care, would your loved ones be prepared — and authorized — to speak on your behalf?

Visit one of our [Life Care Planning events](#) hosted at LAMC and our [East Los Angeles and Pasadena Medical Offices](#) from Tuesday, April 16, through Thursday, April 18, for National Health Care Decisions Day.

The interactive events will include:

- Understand why Life Care Planning is a national quality initiative
- How you can participate in your own planning
- Complete an advance directive and have it notarized for FREE
