New Kaiser Permanente facility to open in Santa Clarita

Specialty care, close to home

Located at 26877 Tourney Road, this new facility will bring advanced surgical and specialty services to members of the community. Designed for comfort and convenience, Santa Clarita Medical Offices 2 are scheduled to open in early 2018. Kaiser Permanente’s existing location in Santa Clarita will also continue to provide primary and specialty care.

High-tech tools for personalized care

- **Video and phone appointments**
  Sick at home? Can’t find a babysitter? Phone or video visits are easy ways to connect with your doctor – whenever life happens.

- **Easy check-in options**
  Use your mobile device to check in the day before your appointment. Or check in when you arrive. You can use the self-serve kiosk, or a team-member will greet you at the front door and check you in via tablet.

- **Coordinated care teams**
  Kaiser Permanente doctors, nurses, and specialists are connected to you – and each other – by your electronic health record. This allows them to have real-time digital consultations with other caregivers, and get you answers faster.

- **Exam room innovations**
  Flat screen monitors will make it easy for doctors to review your health information with you during your visit. There’s even seating in the exam room for your family members.

Creating a comfortable visit

The facility will also feature:
- Lots of large windows for natural light
- An outdoor walking path
- Community tables with preloaded tablets that you can browse for health tips

The new location will be open to the public for wellness fairs, fitness classes,* cooking demonstrations, and many activities to benefit your community. To learn more about Kaiser Permanente, visit [kp.org/santaclarita](http://kp.org/santaclarita).
