

Kaiser Permanente is temporarily limiting services at select San Diego Medical Offices

The health and safety of our members is always our top priority. In an effort to limit additional exposure to COVID-19 throughout the community, we have decided to keep open the following Medical Offices while providing limited services in each: **Point Loma** – Behavioral Health, Addiction Medicine, Surgical (Fertility), Pharmacy, Laboratory, Radiology

Rancho Bernardo, Rancho San Diego, Oceanside – Pediatric Well Child

If you have a prescription waiting to be picked up at one of these medical offices, you can get your prescription filled at any open Kaiser Permanente pharmacy. Visit kp.org for the open pharmacy locations in San Diego County.

We are still here to care for you. Use the **Kaiser Permanente mobile app** or visit kp.org to get online care (e-visit), schedule phone or video visit, or call **(833) 574-2273 (TTY 711)**.

For prescriptions, use our **mobile app** or visit kp.org/rxrefill.

We apologize for the inconvenience.
