

PROTECT YOURSELF AND YOUR LOVED ONES

Get the flu shot.

Getting a flu shot has always been the best way to stay safe during flu season but this year, it might be essential. Everyone 6 months and older should get a flu shot, especially pregnant women and anyone caring for infants or the elderly.

You can get your no cost flu shot at one of our clinics near you. We've taken extra steps to make your visit safe this year, with physical distancing, face masks, and more drive thru options.

Effective November 14, 2020:
