

Family Wellness Fair

Join us to receive resources and information on family violence prevention

Kaiser Permanente West LA's Family Violence and Child Abuse Prevention Programs are hosting a Family Wellness Fair as an opportunity to interact with local community based organizations and gain resources about preventing family violence.

What: Family Wellness Fair

When: Thursday, March 30 from 10 a.m. -1:30 p.m.

Where: West Los Angeles Medical Center Courtyard

6041 Cadillac Ave.,
Los Angeles, CA 90034

Details: All physicians, employees and members are welcome to attend the Family Wellness Fair to raise awareness for family violence prevention. Multiple community agencies will be providing educational activities, information and resources for at-risk individuals across the lifespan.

Contact: For more information contact the Social Medicine Department: 323-857-2329.
