

Back 2 School Drive

Help make a difference and donate to our local community!

Kaiser Permanente West LA is hosting a Back 2 School Drive from July 19-23. Donations are needed for K-12 students in our local community. Your contribution will be sent to Mar Vista Family Center to help transform the lives of disadvantaged children, youth and families.

About The Mar Vista Family Center (MVFC)

The MVFC provides low-income families with quality early childhood education, youth enrichment, and educational tools to create positive change in their lives and their community. MVFC operates on a sustainable and cooperative model through which families remain involved with the Center across generations from early childhood all the way through adulthood.
