

# Your Voice Matters

## Apply to become a Patient Advisor

The Patient Advisory Council is composed of patients, staff, and clinicians working together toward the goal of improving the care and service at the Kaiser Permanente Woodland Hills Service Area.

### Goals

- Provide input on existing programs and proposed initiatives
- Improve safety and service through the voice of our patients
- Partner with patients/families in care design, delivery and improvement
- Strengthen communication among patients, families, caregivers, staff and leaders
- Model effective partnering with patients and their families in decision-making
- Encourage patients and families to be involved in their care

The Kaiser Permanente Woodland Hills Patient Advisory Council is looking for new members!

### Qualifications

- Good listener
- Creative thinker
- Observant
- Respectful communicator
- Open to sharing personal experiences
- Balanced approach
- A sense of humor!

### Commitment

#### Monthly Meetings

2<sup>nd</sup> Thursday of the month  
1:30 to 3:30 p.m.
