

VISITOR POLICY

For red, orange, yellow tiers

Hospital/Inpatient

- 1 to 2 visitors (from the same household) allowed at a time.
- Applies to any patient regardless of reason for hospitalization.
- Virtual visits strongly recommended for COVID -19 patients.
- Visitor movement within the facility should be limited to and from the path directly to the patient's room.
- Visitors do not have to be designated by the patient.

Medical Office/Clinic

- 1-2 person(s) (from the same household) may accompany any patient into the exam room depending on the ability to maintain 6 feet social distancing.

General Visitor Guidelines:

- All visitors will be screened for COVID-19 symptoms.
- No visitor with COVID-19 symptoms may enter.
- No visitor under investigation for COVID-19 or confirmed COVID-19 (in the last 20 days) may enter.

- No visitor with known close contact with confirmed COVID-19 person (same household) in the last 14 days may enter.
- Visitors must use appropriate face covering while on the premises, both indoors and outdoors.
- No visitor eating or drinking in patient room.

- If not accompanying the patient into the exam room, the visitor **may not** wait in the patient waiting room.

Exceptions to our visiting policy, including further limiting visitation, may be made at the discretion of your caregiver, based upon your condition and need for visitation.
