

Kaiser Permanente

All over Northern California, people turn to Kaiser Permanente for better-informed care and support for total health.

Easy access

With Kaiser Permanente, it's simple to find the care you need. Along with primary care, emergency care, and labor and delivery, members have convenient access to a wide choice of specialty services.* Our specialty care departments range from allergy to urology, and everything in between.

Everything under one roof

Most of our locations include pharmacy, lab, X-ray services, and more.

Personalized care

Whether you come into a Kaiser Permanente facility for a routine visit, urgent care, or emergency care, your doctors, nurses, and specialists can see your medical information instantly.

*By referral only.
