24/7 support – before, during, and after your trip

- Call or go online for advice
- Refill prescriptions as you pack
- Get immunizations and stay healthy

Our members get help while traveling more than **65,000 times per year**

More quality care across the U.S.

- See a Kaiser Permanente doctor at any of our 787 medical facilities
- Stop by a walk-in clinic at many Target and CVS stores¹

Coordinated care, easy experiences

- Get care from doctors who know your medical history, all connected on one seamless system
- Connect with us anywhere in the country – in person, online, or with your phone²

¹Only at select CVS Pharmacy or Target locations while traveling outside of a state where Kaiser Permanente operates.

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors from providing care across state lines. Laws differ by state.
