Is Kaiser Permanente Fit Rewards the same as the Active&Fit Basic Program?

No. Kaiser Permanente Fit Rewards adds a brand new reimbursement option that essentially allows you to have a free gym membership¹. This free gym membership feature is available only to Kaiser Permanente Hawaii members. The Active&Fit Basic program provides Active&Fit members access to a discounted gym membership through a broad network of participating gyms to individual and group health plan members. It also has a Home Fitness option for those who physically cannot or prefer not to go to a gym. The Active&Fit Basic program is no longer offered to Kaiser Permanente Hawaii members.

Kaiser Permanente Fit Rewards is administered by American Specialty Health Fitness, Inc. (ASH Fitness), a subsidiary of American Specialty Health Incorporated (ASH), through its Active&Fit[®] program.

How do I get started if I participated in the Active&Fit Basic program in 2016?

If you're a current Active&Fit member, you can enroll in Kaiser Permanente Fit Rewards by paying an annual program fee starting January 1, 2017.

How do I get started if I do not currently participate in Active&Fit?

Starting January 1, 2017, if you're an eligible Kaiser Permanente Hawaii member, you can join a participating gym and pay an annual program fee directly to the gym. If you want to join 24 Hour Fitness, pay Active&Fit directly by visiting kp.org/activeandfit or calling the Active&Fit toll-free customer service hotline at **1-877-750-2746**, Monday through Friday, 5 a.m. to 6 p.m., Pacific Time.

If I change gyms during the year and meet the 45-day, 30 minutes per session activity requirement, will I receive reimbursement?

HOME FITNESS PROGRAM

What if I am physically unable or prefer not to go to a gym?

You can choose to participate in the Home Fitness program instead of attending a participating gym. For a \$10 annual program fee, you can choose up to 2 home fitness kits and work out anytime at home. The fitness kits may include DVDs, guides, and other items to help you get fit.

Please refer to your *Benefit Summary* or kp.org/fitrewards for details, including conditions, limitations, and exclusions.

²The program website is available for members who are 18 years and older.

Kaiser Permanente Fit Rewards is a value-added service and not part of your medical benefits. Your annual fee does not count toward your health plan's annual out-of-pocket maximum. For details, see your *Benefit Summary* or kp.org/fitrewards.
