Section 1 – Introduction

This directory provides a list of Kaiser Permanente’s plan providers. To get detailed information about your health care coverage, please see your **Evidence of Coverage**.

Your Primary Care Provider

You will have to choose one of our plan providers who are listed in this directory to be your **Primary Care Provider (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get most of your health care services from your PCP.

Your PCP meets state standards and is trained to give you primary medical care. He or she will usually practice general medicine, also called internal medicine or family practice. Women may also choose specialists in obstetrics-gynecology whom the Medical Group designates as Primary Care Providers. At some facilities, you also have the option of choosing a nurse practitioner (NP) to be your PCP.

Your PCP will give you most of your care. If you need a specialist, your PCP will help you choose a doctor in that field and work with him or her as part of your health care team.

You can choose your PCP from any of our available primary care doctors, nurse practitioners. Once you make your choice, it is effective right away. If you wish, you can change your PCP for any reason.

Choosing or changing your doctor

We believe that an important part of your total health is building a personal relationship with your primary care doctor, physician assistant, or nurse practitioner. He or she is your supporter for your health needs and goals, helping you with everything from preventive care exams and advice for healthier living to treating you when you are sick.

Whether you are new to Kaiser Permanente or a longtime member looking for a change,

choosing a personal doctor to coordinate your care is easy. You can learn about each doctor’s certifications, specialties, languages spoken, interests, and more on kp.org/scal to help you find the right fit for you.

If you want to make a switch, you can change your doctor at any time and for any reason.

Care for your unique needs

You can choose your personal doctor from one of the departments listed next.

- **Adult or Internal Medicine** (Internists)
- **Family Medicine** (Family practitioners)
- **Obstetrics-Gynecology** (Ob-Gyn)
- **Pediatrics** For infants, children, adolescents, and teens.

Nurse practitioners

At some facilities, you also have the option of choosing a nurse practitioner.

Nurse practitioners are registered nurses who have advanced education and training. They can diagnose and treat a wide variety of medical conditions, write prescriptions, order and interpret lab and medical imaging tests, and educate and give advice to members and their families. They practice with a doctor’s supervision and support according to carefully controlled procedures.

How to choose or change your doctor

Online

Go to kp.org/scal. Find information on the available physicians and choose the one who’s right for you.

Phone

To select or change a personal physician or get information about practitioners and services please call 1-888-956-1616.

Getting Covered Care

For Medi-Cal members, you must get most services from plan providers in the Kaiser

Permanente service area. The only services you can get from non–plan providers are:

- Care at a Federally Qualified Health Center (FQHC)
- Care at an Indian Health Center
- Covered emergency ambulance services
- Covered emergency services and post-stabilization care
- Covered family planning services
- Covered out-of-area urgent care
- Referrals to non–plan providers
- Some covered sensitive services

If you obtain services that are not covered by Medi-Cal, you may have to pay for the cost of these services.

The “plan providers” listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our plan providers listed in this directory; however, some services may require a referral. If you have been going to one plan provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-plan providers.

Enhanced Care Management and Community Supports services require prior authorization and are limited to members who meet specific eligibility criteria.

To see a specialist, you usually need to get your PCP’s approval first. (This is called getting a “referral” to a specialist.) However, you do not need a referral to get specialty care from plan providers in Ob-Gyn, optometry, mental health, and chemical dependency.

The following standards for appointment availability were developed by the California Department of Managed Health Care (DMHC).

If you prefer to wait for a later appointment that will better fit your schedule or to see the practitioner of your choice, we will respect your preference. In some cases, your wait may be longer than the time listed if a licensed health care professional decides that a later appointment will not have a negative effect on your health.

This information can help you know what to expect when you request an appointment.

Type of care	Appointment offered
Urgent care appointment	Within 48 hours
Routine (non-urgent) primary care appointment (including adult/internal medicine, pediatrics, and family medicine)	Within 10 business days
Routine (non-urgent) mental health care appointment with a practitioner other than a physician	Within 10 business days
Routine (non-urgent) specialty care appointment with a physician	Within 15 business days

The standards for appointment availability do not apply to preventive care services. Your practitioner may recommend a specific schedule for these types of services, depending on your needs. Preventive care services may include physical exams, vision and hearing tests, immunizations, health education, and prenatal care. The standards also do not apply to periodic follow-up care for ongoing conditions or standing referrals to specialists.

Timely access to telephone assistance

In addition, the following standards for answering telephone inquiries were developed by the DMHC. These standards require health plans to answer the following telephone inquiries within specified time frames.

- For telephone advice about whether you need to get care and where to get care, plans must answer within 30 minutes, 24 hours a day, 7 days a week.

- For customer service inquiries, plans must answer within 10 minutes during normal business hours.

Interpreter services at no cost to you

If you need interpreter services when you call us or when you get covered Services, please let us know. Interpreter services, including sign language, are available during all business hours at no cost to you. We highly discourage the use of minors or family members as interpreters. For more information on the interpreter services we offer in [Northern California](#) and [Southern California](#), call our Member Services Contact Center:

- 1-800-464-4000 (toll free for English and more than 150 languages using interpreter services)
- 1-800-788-0616 (toll free for Spanish)
- 1-800-757-7585 (toll free for Chinese dialects)
- 711 (for TTY users)

Bills from non-plan providers

If you receive a bill from a non-plan provider, you must file a claim as soon as you can. You can also call our Member Service Contact Center toll free at 1-800-464-4000 (TTY users call 711).

Send the completed claim form to our Claims Department as soon as you can after getting the care.

Emergency and urgent care

If you have an emergency medical condition, call **911** or go to the nearest hospital Emergency Department. Emergency care is for a medical or psychiatric condition, including severe pain, that requires immediate attention to prevent serious jeopardy to your health. If you are traveling outside the U.S., other than to

Canada or Mexico, and need emergency care, Kaiser Permanente will **not** cover your care.

For ease and continuity of care, we encourage you to go to a Plan hospital Emergency Department if you are inside our service area, but only if it is reasonable to do so, considering your condition or symptoms.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our Plan. If your emergency care is provided by non-plan providers, we will try to arrange for plan providers to take over your care as soon as your medical condition and the circumstances allow. It is very important that your non-plan provider call us to get authorization for post-stabilization care before you receive the care from the non-plan provider. You will only be held financially liable if you are notified by the non-plan provider or us about your potential liability.

Kaiser Permanente enrollees have full and equal access to covered services, including enrollees with disabilities as required under the Federal Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973, and in compliance with federal and state laws that prohibit discrimination based on disability.

Facility physical accessibility survey

We conduct physical accessibility surveys at certain facilities as required by the California Department of Health Care Services (DHCS). These surveys evaluate 6 areas of access: parking, building exterior, building interior, restrooms, exam rooms, and exam table/scale. For Affiliated Providers and Affiliated Locations, physical accessibility information may be publicly available or self-reported by such providers rather than surveyed by Kaiser Permanente. To help you understand how the survey determines if a facility is accessible for people with disabilities, the following are the levels of accessibility:

Basic access: The facility demonstrates physical accessibility for people with disabilities for each of the following 5 areas surveyed: parking, outside building, inside building, restrooms, and exam rooms.

Limited access: The facility demonstrates physical accessibility for people with disabilities for some but not all of the following 5 areas surveyed: parking, outside building, inside building, restrooms, and exam rooms.

Medical equipment access: The facility demonstrates that patients with disabilities have access to height-adjustable exam tables and weight scales accessible to patients with wheelchairs and scooters. Also indicated by the T symbol described below.

Key to physical accessibility symbols

In the listings, facilities that have received a physical accessibility survey will include symbols showing its accessibility under DHCS guidelines.

E = exam room: The entrance to the exam room is accessible with a clear path. The doors open wide enough to accommodate a wheelchair or scooter and are easy to open. The exam room has enough room for a wheelchair or scooter to turn around.

You may submit a grievance in the following ways:

By completing a Complaint or Benefit Claim/Request form at a Member Services office located at a Plan Facility (please refer to *Your Guidebook* or the facility directory on our website at **kp.org** for addresses)
